■ **Closure**

Especially on Fridays, the Israeli military continues to intensify restrictions at checkpoints located at the entrances of Jerusalem, and to restrict entrance to the Al Aqsa Mosque compound in the old city of Jerusalem, preventing worshippers from accessing the Mosque. At the *Qalandiya checkpoint north of Jerusalem*, the Israeli military continues to prevent PNA registered civilian vehicles from crossing the checkpoint towards Ar Ram and Qalandiya as well as Dahiyat al Bareed. The checkpoint is overcrowded daily, particularly during rush hours, due to intensified restrictions and search measures applied by Israeli troops. During the month of August the Israeli military also continued to intensify restrictions at the *Tayasir checkpoint* and *Al Hamra junction checkpoint* leading to the Jordan Valley area, only allowing access to civilians whose IDs indicate District of Jericho residence or others holding special access permits. In addition, restrictions were intensified and civilian access was obstructed at the *Za'tara junction checkpoint* (separating the northern and central West Bank districts) as well as at the *As Sawahira ash Sharqiya (the 'Container') checkpoint* (separating the central and southern West Bank districts).

The Israeli military set up 536 flying checkpoints in October (compared with 474 in September and 469 in August) and as a result restricted the free access and movement of residents, merchant supplies and agricultural goods.

Distribution of flying checkpoints in the West Bank

The Israeli military set up 536 flying checkpoints in October and searched Palestinian civilians and vehicles in and around Palestinian residential areas in the districts of Jerusalem (145); Ramallah (61); Jenin (6); Tubas (1); Tulkarem (18); Qalqiliya (47); Nablus (58); Salfit (28); Jericho (29); Bethlehem (75); Hebron (68).

- **Raids**
