 Closure: On October 16th 2015, the Israeli army, intensified their restrictions at the entrance to Jerusalem city, set up several flying checkpoints on the main road leading to the city and prevented worshipers under the age of 50 from conducting prayers at Al-Aqsa mosque compound, which forced residents to conduct prayers near checkpoints located outside Al-Aqsa mosque compound. The Israeli army continues to close the 'demarcation area' along the Wall in the area surrounding occupied East Jerusalem and restricts access to local residents as well as to civilians holding special permits. The Israeli army continues to impose a blockade and deny civilian access to a hill between Biddu and Beit Iksa villages. Closure of Main Roads: The Israeli army continues to close with cement blocks and dirt mounds the entrance to Jaba' village. The Israeli army continues to close with an iron gate the eastern entrance to Beit Iksa village and forces civilians to access Jerusalem city through Qalandiya checkpoint.
